Recent Contests:

March: Find the answer to this riddle, "It travels all over the world but always stays in the corner." The Answer: A STAMP. Congratulations to Patricia R. who was selected from several correct answers. Patricia won a great Digital Camera.

April: Find the answer to this riddle, "When it's green it makes you sad, when it's brown it makes you frown, but when it's yellow it makes you smile." Answer- A BANANA. Congrats to Marisa W.

Have a great contest or riddle you would like to share with over 2000 active patients? Write down your idea and drop it off at the front desk!

Website:

Have you been to our website lately? www.thesmilecreators.com is full of interesting and useful information. Most recently, we have begun to post pictures of patients who have 'graduated' from our office and completed their orthodontic treatment. Congratulations!

Proud Moms and Dad's Needed:

Patient Referrals: We Depend on You

We'd like to take a moment to thank you for showing your confidence in our practice by

recommending us to your friends, family and colleagues. We're gratified to find how many new patients regularly call on us based on your words of advice.

[American Association of Orthodontists](#)

[American Board of Orthodontics](#)

Do you have a great story about your son or daughter that you would like to share? We love to hear great stories about our patient's success. Whether it's in school, on the sports field, or with a particular hobby we will share them in the next newsletter. We are very proud of all our patients and their accomplishments.

Congrats to the Grads!

We are posting pictures of recent 'orthodontic graduates' on the wall in our office as well as our website. Our most recent grads received honors in elastic wear, oral hygiene, and appointment attendance. We hope you wear your retainers with pride and remember to smile. Congratulations!

****Age 7** is the Magic Number for an Orthodontic Check-Up**

Wondering when your child should see an orthodontist? Don't wait until all the permanent teeth have arrived. The American Association of Orthodontists recommends that every child have an orthodontic check-up no later than age seven.

[Why age seven? > >](#)

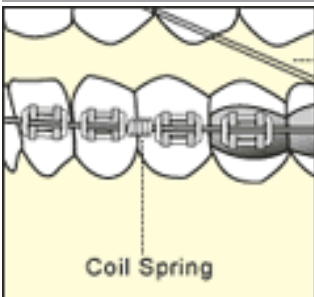

The Braces Cookbook: Kid-Tested, Orthodontist-Approved!

Having a tough time figuring out what to eat while your teeth (or your children's teeth) are in braces? A fun new book offers 50 braces-friendly recipes and other tips and information for the bracketed masses.

[Check out some examples >](#)

Braces 101: Learn the Parts of Your Braces

So you've got braces. Do you know what all those little pieces are called? Knowing your braces vocabulary will help us help you, should you need to describe missing or damaged pieces to us over the phone.
